ABOUT US

WHO WE ARE

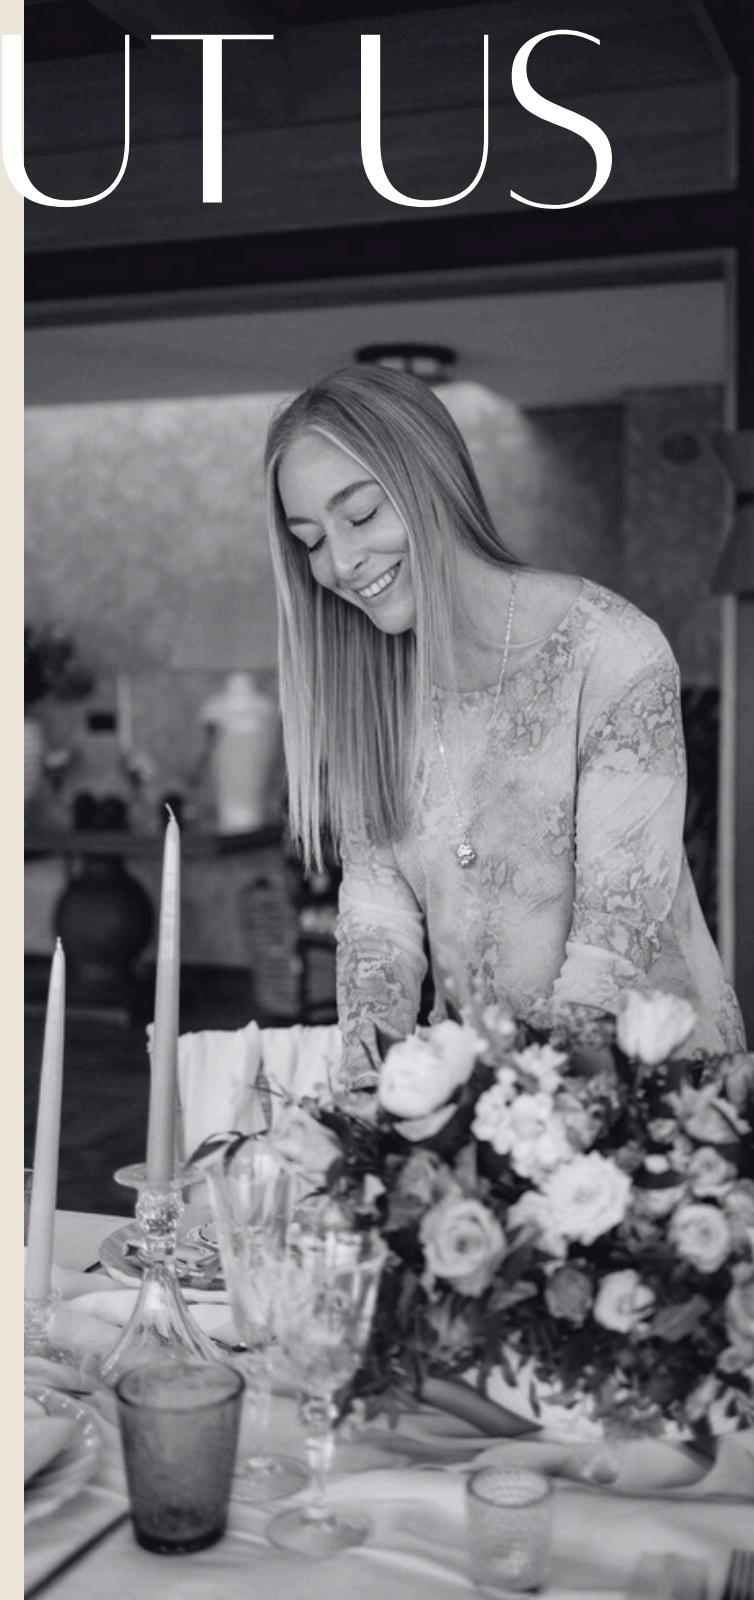

Simplicity Event Stylists are a small wedding and events business based in the heart of Kent.

Founded by Donna Essex, who has an undeniable love for simplicity, elegance and movie-like romances. We love to work closely with our clients to build a special relationship and ensure we bring your visions to life. We promise to never overbook our diaries, allowing us to fully focus on the importance of making sure our client events are picture perfect and run smoothly, every time.

OUR VISION

Working in the industry for a number of years previously, Donna recognised a gap in the market for a bespoke styling service tailored specifically to our individual clients for weddings, private dinner parties, and celebrations of love.

Our vision is to create events that feel warm, intimate and truly personal to our clients. With a strong focus on details, layering and a touch of modern luxury - no ask is too much, if it aligns with our aesthetic, we will do our utmost to make it a reality...

THE PROCESS & HOW TO BOOK

01 | GET IN TOUCH

Get in touch using the contact form on our website or by emailing us at hello@simplicity-events.com with the following information:

- Your Name
- Date & Time Of Event
- Event Type
- Venue & Location
- Number of Guests / Number of Tables
- Your Contact Details

We will endeavour to respond within 48 hours. If we have your date available, we will request a little more information about you, your story, your visions and any inspirational images you have been collecting for your event style.

We will then offer a free consultation where we can discuss your event in more detail and get to know each. This can be done via email, Google Meet or in-person at our little unit in Kent. If your venue is local, we would also be more than happy to meet at your venue.

02 | VISION BOARDS

All of our bespoke styling services require a vision board to be created in the early stages of planning the style of your event. Prices start from £250 and is fully deducted from your quote should you choose to go ahead and use our services for your special day.

The purpose of this is to ensure that we capture your style and to help create a bespoke quote for your event that is personal to you.

During this time your event date is provisionally held in our diaries. The vision boards will be sent over via email and will hopefully start to help you picture your wedding day.

You will have 7 days to let us know how the boards made you feel and whether you would like us to proceed with putting a quote together for you - exciting!

03 | QUOTATION

We base our quotes on the style of your vision boards, your venue & location along with key factors required to bring the look together.

A quote will be sent over via email along with a deposit request. We will deduct the cost you paid for your vision boards from the full quote.

During this time your event date will be held for a further 7 days. Rest assured, we will reach out before releasing your date to others.

Please note: Once your deposit has been paid, your date is secure. We will send a payment schedule for your diaries with 2-4 payment dates (based on your payment preference). Full payment is required 8 weeks before your event date.

Deposits are non-refundable.

04 | FINISHING TOUCHES

Your event booking can be added to with any additional styling, finishing touches and services during the lead up to your event. If you have stationery, welcome signage or table plans, we will ensure these are all signed off in good time with final amendments to be made 8 weeks before your event.

As we get closer to your event date, we will reach out to confirm that everything is going smoothly along with liaising with venues (if required) to confirm logistics.

Our emails are *always* open to our clients, however if you would like to arrange a call or want to pop in to discuss your event or additional ideas at any time throughout the process, we are more than happy to make arrangements and love nothing more than to meet our clients & share exciting ideas.

What can I say apart from a huge thank you from the bottom of my heart for everything. From the moment we began this journey you have been amazing. Your style & vision is superb and your attention to detail second to none. You have a natural eye & flair for styling.
